Important Announcements

Beloved Community,

Please join me in welcoming Dr. Frederick Ware to his new role as Associate Dean of Academic Affairs. Dean Ware began his appointment on January 2, 2018 and I am thankful for his willingness to serve in this important role. And please extend thanks to Dr. Gay Byron for her service. She will continue at HUSD in her role as Professor of New Testament and Early Christianity.

We extend our prayers and blessings to Rev. Robyn Franklin-Vaughn, who ended her duties as the Chaplain Coordinator; along with Rev. Sylvia McDonald-Kaufman, who is ending her duties as Director of Institutional Research and Assessment. We thank them both for all their hard work on behalf of HUSD.

Dean Pierce
